Prayer Focus: The earth has yielded its produce; God, our God, blesses us. Psalm 67:6

Personal Reflection

Sometimes in life it's hard to stop and see God's blessings, spend some time this week with God, reflecting on the blessing he's given you.

Coventry Focus

Pray for Coventry City Mission and the work they do, ask God to provide the finances they need to meet the many needs they see in our city. Currently they are looking for 100 people to give £10 each month to help them to continue to meet the considerable needs they work with in the city. Pray that there will also be enough volunteers to show Jesus to the people they work with.

Pray for Christians working in 'ordinary' jobs across this city - pray that they will be bold enough to be Jesus in their work place, and God will also provide support for them in this difficult mission field.

International Focus

Pray for those called to do mission abroad (short or long term), including our very own Richard as part of the BMS Action team in Thailand. Thank God for the work they do and ask that God's Will will continue to be done by Christians in all areas of this Earth.

QRBC

Continue to pray for Ashraf as he waits for a date for the adjourned court hearing - thank God for the provision of a Christian barrister and that he has agreed to take on Ashraf's case. Pray that God will continue to be in charge of this process and will give Ashraf and his family peace as they continue to wait.

Thank God for this church and the family who worship here - consider this week whether you could be more involved in our church family.
