Please feel welcome to stay and chat.

**Prayer ministry** is available in the chapel following both services.

**For the Son of Man came to seek and save those who are lost." Luke 19:10**

**Personal Focus:** Thank God for his gift of Jesus to the world, also thank him for his Holy Spirit - especially as we look to the Pentecost celebrations this weekend.

**QRBC:** Pray for those involved in the Pentecost celebrations this weekend and those attending them too. Pray that all will be touched by the Holy Spirit and will have opportunities to share God's love. Pray that we will welcome anyone who comes along as a result of these celebrations.

**Coventry Focus:** Pray for the city of Coventry this week, pray that God's light will shine in darkness pray that everyone in the city will be touched by the Holy Spirit and will want to know more. Pray for Christians working in secular professions - that they will have the opportunity to share God's love. Pray particularly for those working in science, there is a group called Christians in science, with a regional section in Birmingham, pray that they can help those working in a field that many perceive as 'at odds' with a Christian faith.

**International:** Pray for Pentecost celebrations around the world - that the church can use this opportunity to share God's love, that all will hear the Good News and the world will be changed.
